HOW DO I TRACK MY SALES & TRAFFIC?

In order to track your traffic and your sales in SexCash, you have to generate linkcodes in your SexCash profile as follows:

STEP 1

Click on "Linkcodes" under the category "Promotion Tool".

The screenshot shows the SexCash dashboard. On the left is a dark sidebar menu with categories: MY ACCOUNT, PROMOTION TOOL, STATISTICS, and SECURITY. Under 'PROMOTION TOOL', the 'Linkcodes' option is highlighted with a blue box and a blue arrow pointing to it. The main content area shows a 'Newcomers!' greeting, a summary of earnings for 'Today' (\$0.00) and 'Last 7 days' (\$226.73), and a section for selecting a date range and country. Below this is a line graph showing 'Unique hits' (orange line) and 'New join' (blue line) over time. The graph has two y-axes: 'Unique' (left, 1.5 to 4.0) and 'Rebills & upsales' (right, 15 to 35).

STEP 2

Select the network/website you want to promote (1), and after the website/page you want this link to redirect to (2) and select the offer (3). Once it's done, click on "Build link with code" and your link code appears in "URL to copy".

Linkcodes

Please select a website and a page to promote :

Website: **1** Xvideos Red (6)

Page: **2** Home => https://www.xvideos.red

Offer ¹: **3** Xvideos RED 50% Revshare

Main tracker: Optional ¹ Ex: Campaign name

Sub tracker: Optional ²

Visitor ID: Optional Unlimited values - one per visitor

URL to copy: <https://www.xvideos.red?scat=ZDVY2KGRBU...>

¹: If an offer were to be deactivated, it would only apply to the old transformations (hit/transaction)
²: Trackers are limited to 1000 values

HOW DO I TRACK MY SALES & TRAFFIC?

A link code is built like this:

<code>https://www.analvids.com/new-videos</code>	<code>?aff=ZDVY2KGR8U</code>	<code>—</code>	<code>—</code>	<code>—</code>	<code>_6</code>
Website and page you want to promote. It can redirect to a model page, to one specific scene or to the home page.	Your SexCash affiliate ID	Place for tracker 1 (if none, it stays empty)	Place for tracker 2 (if none, it stays empty)	Place for visitor ID (if none, it stays empty)	Place for offer ID (if the offer selected was default, it will automatically stay empty)

The most important information here is:

- Website you are promoting must be in SexCash.
- Your SexCash affiliate ID must be correct, otherwise, traffic and sales won't be tracked to your account.

If you are interested about promoting one specific scene, for example:

`https://www.analvids.com/watch/36685/mmf_the_only_time_i_ever_took_2_dicks_at_once`

just take the link of the video, add your SexCash affiliate ID and your link code is ready.

`https://www.analvids.com/watch/36685/mmf_the_only_time_i_ever_took_2_dicks_at_once?aff=ZDVY2KGR8U`

Once you have your link code ready, copy paste it on your website/social media and generate income!
